

VITENSKAPELIGE PUBLIKASJONER RAKOS 2014

[Lindner Thomas W, Deakin Charles D, Aarsetøy Hildegunn, Rubertsson Sten, Heltne Jon-Kenneth, Søreide Eldar](#)

A pilot study of angiotensin converting enzyme (ACE) genotype and return of spontaneous circulation following out-of-hospital cardiac arrest.
Open Heart 2014;1(1):e000138. Epub 2014 aug 14
PMID: 25332829

[Lindner T, Vossius C, Mathiesen W T, Søreide E](#)

Life years saved, standardised mortality rates and causes of death after hospital discharge in out-of-hospital cardiac arrest survivors.
Resuscitation 2014 May;85(5):671-5. Epub 2014 jan 9
PMID: 24412645

[Heradstveit Bård E, Heltne Jon-Kenneth](#)

PQRST - a unique aide-memoire for capnography interpretation during cardiac arrest.
Resuscitation 2014 Nov;85(11):1619-20. Epub 2014 jul 22
PMID: 25063372

[Søreide Eldar, Busch Michael](#)

Do we really know who benefits from targeted temperature management?
Resuscitation 2014 Nov;85(11):1621-2. Epub 2014 sep 16
PMID: 25220927

[Rasmussen Maria B, Tolsgaard Martin G, Dieckmann Peter, Issenberg S Barry, Ostergaard Doris, Søreide Eldar, Rosenberg Jens, Ringsted Charlotte V](#)

Factors relating to the perceived management of emergency situations: a survey of former Advanced Life Support course participants' clinical experiences.
Resuscitation 2014 Dec;85(12):1726-31. Epub 2014 aug 20
PMID: 25151548

[Dankiewicz Josef, Schmidbauer Simon, Nielsen Niklas, Kern Karl B, Mooney Michael R, Stammet Pascal, Riker Richard R, Rubertsson Sten, Seder David, Smid Ondrej, Sunde Kjetil, Søreide Eldar, Unger Barbara T, Friberg Hans](#)

Safety, feasibility, and outcomes of induced hypothermia therapy following in-hospital cardiac arrest-evaluation of a large prospective registry*.
Crit Care Med 2014 Dec;42(12):2537-45.
PMID: 25083981

[Søreide Eldar, Lockey David](#)

To intubate or not to intubate-is that (the only) question?
Crit Care Med 2014 Jun;42(6):1543-4.
PMID: 24836788

[Søreide Eldar, Aneman Anders](#)

Your call is important to us. Do not put your medical emergency team on hold.
Crit Care Med 2014 Jan;42(1):195-6.
PMID: 24346522

[Sollid Stephen J M, Søreide Eldar](#)

Human factors play a vital role in the outcome of percutaneous dilatational tracheostomy.

Crit Care 2014;18(1):409. Epub 2014 feb 21

PMID: 24602445
